About Us

- ▶ We specialize in providing quality construction services to the Commercial and Residential marketplace. Our aim is to provide unparalleled construction management by determining each individual client's requirements and creatively developing a successful delivery system for their specific construction project.
- ▶ This focus balances our customers need for competitive pricing and fast project completion with a team committed to the highest quality of workmanship and professionalism. All of this in a safe environment.
- ▶ Whatever the size of project, we have the knowledge and expertise to complete projects to plan, within budget, and on schedule. Depending upon our client's specific needs and size of project FSG is fully qualified to serve either as lead contractor or a designated sub-contractor.

Why Choose Excel

▶ EXPERIENCE

- ▶ Excel Construction has been in business since 1996 and has over 50 years of collective experience in commercial AND residential construction services.

▶ SKILLED WORKMANSHIP

- ▶ We are dedicated to providing quality construction services and take great pride in our work. Excel has the skill and experience to provide quality construction services on your next project.

▶ COMMITMENT TO SAFETY

- ▶ Excel is committed to providing a safe work environment for all employees, clients, and the general public on our job sites. The commitment is shown through the consistent implementation of safety standards and by taking precautionary actions to prevent accidents.
